

Honeycat Locket Photo Guide

print at actual size

open this PDF and print at 100% (actual size) - do not select "fit to page" or "scale to fit"

verify the scale

after printing, measure the test line below - it should be exactly 3" long.

cut the template

cut out your selected locket shape and use it as a guide for sizing your photo

✦ measure this line ✦

this line should measure exactly 3" (76.2mm)

✦ cut out your locket shape ✦
